

d.HOLIDAY 2024 Conference

Welcome!

An aerial photograph capturing a stunning sunset over a coastal town. The sun is low on the horizon, casting a warm, golden glow across the sky and the water. The sky is filled with large, dramatic clouds that catch the light, creating a mix of orange, yellow, and soft blue tones. In the foreground, the ancient ruins of a temple with several standing columns are visible on a grassy hillside. Below the ruins, a paved path leads towards the water. The middle ground features a harbor filled with numerous sailboats, their masts creating a rhythmic pattern against the blue water. The town's buildings are scattered along the coast, and a prominent mountain peak with a small structure on top is visible in the background. The overall scene is a beautiful blend of natural beauty and historical heritage.
